***Adair County Health System Announces New Provider***

**Greenfield, Iowa** – Mary Anne Murphy BSN, MSN, ARNP-c is joining Adair County Health System’s staff. Mary Anne will be providing emergency room coverage during the daytime hours with future plans to see same day patients in the Adair County Medical Clinic in Greenfield.

Mary Anne comes from an experience in many aspects of medicine. As a registered nurse she has worked in the areas of Coronary Care, Intensive Care, Surgical Intensive Care and Emergency Room. In 2002 Mary Anne joined the Department of State as a Diplomat and Foreign Service Officer and worked as the Medical Officer in Embassies of the States around the world. Her assignments included tours at Embassies Tirana, Albania, Bucharest, Romania, Kabul, Afghanistan, and Dushanbe, Tajikistan.

“Since returning to the United States, I am enjoying country living in Cumming, Iowa, and I am looking forward to beginning duties as part of the staff of Adair County Health System. Having traveled the world and meeting a variety of people, I can honestly say that I’ve rarely experienced the warm, kind and friendly reception that greeted me at Adair County Health System. I feel highly honored and fortunate to join this excellent staff and look forward to meeting the members of this community,” quoted Mary Anne.

Adair County Health System welcomes Mary Anne Murphy, BSN, MSN, ARNP-c to their staff. With Mary Anne covering the Emergency Room the ease of scheduling and availability of appointments in the Adair County Medical Clinic Greenfield will improve. Adair County Health System, we surround you with care.
