

Patient Care Tech

Adair County Health System has openings for part-time Patient Care Technicians/CNA's to work Saturdays and Sundays from 11am – 11pm. This position will work approximately 24 hours and week and be eligible for benefits too! This is a great opportunity to expand your healthcare experience working hand-in-hand with our experienced EMS and nursing staff.

ESSENTIAL FUNCTIONS:

- Assist EMS and nursing in the emergency room by rooming patients, obtaining vital signs, collecting lab samples, answering phones, performing clerical duties and stocking supplies.
- May have duties as an Activities Coordinator for skilled patients.

EDUCATIONAL/EXPERIENCE REQUIREMENTS:

- High School Graduate or equivalent
- State of Iowa Certified Emergency Medical Technician, CNA certification is required.
- BLS Certification required
